no New Disturion Scheme Specimens of Tury Full about New England. We spoke yesterday of the dastardly and at infernal onslaught which the Tory press as making upon New England, in the stand or of insurfacturing a sentiment flavorable to expulsion of the Eastern States from the lon. To show our readers that we do not greate the villainy of this acheme, we give choice apecimens of the language to in Tory prints: From the Chicago Times.

From the Chiengo Times.

he distinction in races in New England and
lew England emigrants all over the country
a marked as between nationalliles in Europe.

have been born in New England, therefore,
a not, happily prove a man to belong to the
ulliant race there, the lending of whose prefulers on Physical Rock seas, in our opinion,
the greatest curse inflicted on mankind by the Almiddle since the full of Adam.

For, if this Republic shall fall—if this grand
experiment of the comp, tency of man for self-

nment shall fall—if to, sun of liberty on outlinent shall go down in blood—the awful

this continent shall go down in blood—the awful calculity will have come of the infection of the infection of the national politics and the national religion and the national social organization with the poison of Paritanian.

To day the uppermost thought in the public rained of the Western and Middle States is whether restoration of losting peace and recorded for the Western and Middle States is whether restoration of the provide on any other creat them the reclusion of the Paritim section organization in the recommon compact—not that would not be a painful thing to alongh off any scion of the old Union, but whether the unsleading choice must not be made between such greance and general disintegration and limitates wat.

From the Same.

logenuine blue-beilles—the descendants in sect line from the people who burnt women is stake, and hanged Quakers for opinion's and whippied men for kissing their wires unday; and who at a later day invented lartford Convention and sent up bine lights ew London; and rob at a yet later day bed convents and refused charters to colorwhich declined to become propagandists writanism, and who resolved that the Union id to dissolved rather than that Texas id be admitted into it, and invited negroes is polls while excluding white men on acts of their poverty or birthplace—the genulescendants of these people, we say, held miversary at the Metropolitan Hall last 4, of the landing of their forefathers on continent.

From the Cincinnati Enquirer From the Cincinnati Enquirer. I friend, just from Maine, informs us that at before were the New England States in h a prosperous condition as an presentary wereingman is employed at his wages, every day-laborer is getting to be full hand-Manufacturiers and contractors—and the nirry is full of them—are growing rich off Government, and general prosperity prois. Their greatest fear is that they may not permitted to enloy the good condition; that or revolutions may occur which would dishat the value of the riches which the warpoured into their laps. New England would silling that the Southern Confederacy should recognised to—norrow, if assured that the uised to-morrow, if assured that the States would not seek an alliance with steen States would not seek an alliance with and leare their six extreme northeastern thron out in the cold. With the fortunes y issue made, and the general wealth acquir-by the war, New England would be content tet the \$LaveStates go, if the free States would asks as the old Union. That is the general

Convention" held in Huntington Co., ind., Dec. 6.
That, had it not been for the familicism and eculation of New England, our generation and not have witnessed the ghastly spectre f disunlon; and were it not for the same causes iff potent for evil, those difficulties could readily be adjusted. Therefore, we declare, that hem we have exhausted every reasonable effort or the restoration of the Union as it was, should see England stand in the breach, we, as Western men, will consult Western interests and Vestern pride, which alike forbids that the rest Mississippi Valley should be divided, and see by rendered tributary to a rulnous system. I same the intolerance, expidity, and class legislation.

lation, hen will we cheerfully say to New England, th all her empidity, with all her meanness, maticism, follies and moral impitude, we bid on good by, remembering you only for the rongs you have done us.
